FEATURE

- Our special products include PVC, PP and PET, which are all very easy to be installed and removed.
- With the micro-suction feature, some products can be reused many times.
- Apart from dry erase film, LF-50WH and LF-50MWH can also be used as a laminating film and a window film, as it is hard-coated and coated with UV ink receptive layer.

APPLICATION

- Wall • White board • Covering signs (CSG/CSM) • Window graphics
