## LF-50 WhiteBoard Lamination

Discover the transformative power of Vont Media's LF-50 series whiteboard laminate—an exquisite crystal-clear lamination film that effortlessly converts any flat surface into a dynamic whiteboard. Elevate your surroundings by creating a bespoke whiteboard tailored to your needs, whether it's a chic booth counter in a trendy shop, the back of a sports clipboard, or an inspiring canvas for your children to unleash their creativity!

# TECHNICAL DATA SHEET

Crafted with durability in mind, this series boasts a resilient hard coating that stands up to the rigors of everyday wear and tear while maintaining its radiant brilliance. The WH product, with its high gloss finish, redefines your whiteboard experience by banishing ghosting into the past and ensuring effortless cleaning.
